

Volunteer of the Month

Renee Lesser

How fortunate are we that this former Merrick, Long Islander decided to move to Wayne, and most of all chose to join Shomrei Torah in 1999!

"I like the people in Shomrei Torah, and I enjoy working with the women of Sisterhood." These are the words of our Volunteer of the Month, Renee Lesser. Selling Scrip is the huge job that Renee has undertaken. Every Sunday morning you will find her sitting in the lobby of the Shul, offering scrip to those who come in. This is what she likes to do because it is an important fundraiser for the Shul and she gets the opportunity to meet socially with many of our members. She is happy to help the Shul, even while she and her husband Ross are in the midst of planning their son Zachary's Bar Mitzvah.

A math and computer science major, Renee graduated from SUNY Binghamton and wrote software for retail companies.

She and Ross have two sons, Justin, a senior in high school and off to college soon, and Zachary, the soon to be Bar Mitzvah boy.

We are all appreciative of Renee's quiet, yet helpful manner and how she contributes to the betterment of our Shul.
